

## **Stendhal, 2016 / Istvan Balogh**

High Definition Video with Sound.

Duration: 5 min 26 sec.

Single Channel Video Projection.

Aspect Ratio 16:9

Coming out of an elevator, a woman is rushing through the staircase to her car in a parking garage. Her overwrought monologue is about an experience that drove her into a panic attack. Only a few clues allow the conclusion that her exhausted condition comes from an „overdose“ of beauty, art and aesthetics, also known as Stendhal syndrome.
